Beyond BOW workshops provide opportunities to learn outdoors skills. Workshops are designed especially for women and are an extension of the Becoming an Outdoors-Woman program sponsored by Montana Fish, Wildlife & Parks.

Join us for a fun and gentle introduction to the joys of mountain biking, including expert instruction and riding time. This clinic is for the beginner to intermediate level mountain biker.

Here's what you'll learn:

- The mountain bike components.
- How to choose a bike and how to make it fit you.
- Safety and comfort on the trail – what to bring on every ride, trail etiquette, clothes to wear, and nutrition.
- Simple maintenance and repairs, on and off the trail.
- Introduction to riding techniques.
- Reading a map and planning your route.

We'll be based at the Whitefish Bike Retreat located next to the Whitefish Trail system. See the "Accommodations" section for booking your lodging here. The clinic runs from Saturday morning to Sunday noon with an optional Sunday afternoon ride. The clinic fee includes all meals starting Saturday noon through Sunday noon.

Requirements to participate: We expect a range of experience levels, from the brand new biker to the intermediate looking to improve her skills and knowledge.

Everyone will need the following items, which can be rented from local bike stores if needed (we can offer suggestions):

- Mountain bike suitable for riding trails – please don't hesitate to ask questions about this if you're not sure
 - For the newer riders we recommend platform pedals (no clips), but if you are comfortable with clip-style pedals be sure to bring compatible shoes
- Helmet
- Comfortable trail shoes (or bicycle shoes if using clip-style pedals, see note above)
- Positive attitude!

Recommended items to make your experience more enjoyable: Water bottle or hydration pack, Padded bicycle shorts, Biking gloves.

Special Needs: If you have a disability, medical condition or restrictive diet requirements please note them with your registration. We will attempt to accommodate your needs.

Clinic Cancellation Policy: The deadline to cancel is June 6th. If you cancel on or before that date you will receive a full refund. After that date, a \$10 cancellation fee will be deducted from your refund. Registrants who do not attend and do not cancel by June 6th will be assessed the full fee.
